The Elemental Achieving Personal Success Seminar is a ½-day personal development program offering a practical overview on what needs to happen to achieve your personal success.

Seminar participants will:

- * Learn about key steps and actions necessary to achieve personal success
- * Explore personal attitudes and needs that support and/or inhibit achieving their success.

The Elemental Achieving Personal Success Workshop Series - Regardless of where you are in life, this groundbreaking series of five ½-day workshops offers the opportunity to explore and discover your potential, identify a personal pathway to success and develop the key skills to help you get there.

Developed and delivered by Marion Smith, Executive Coach and Organization Consultant with Elemental Consulting, each ½-day workshop provides the education, coaching, materials and support to guide you through a process of self-discovery and forward motion. The workshops can be taken as a full series resulting in the development of a Personal Success Plan or as individual personal development sessions.

Workshop participants are offered the opportunity to:

- * Explore in depth their Personal Vision of Success
- * Define Personal Success Goals and a plan for action
- * Learn how to enrich personal goals with Creative Thinking
- * Understand how to improve personal communication for achieving success.
